Dear Dr. Xiaoqing Shi and Mr. Shaoxing Mo,

I would like to invite you to give a scientific talk and to discuss some research work in Oak Ridge National Laboratory (ORNL) from December 08 through December 11, 2016. Dr. Shi and I have had productive research collaboration since 2010, which resulted in several research publications in international journals. I look forward to continuing this collaboration with Dr. Shi by inviting him to ORNL to discuss some research in detail.

Sincerely,

Dan Lu
